INSTALLATION INSTRUCTIONS

INCLUDED:

Acrylic Console

Hardware Pack

Madjax recommends professional installation. If you choose to not have this product installed by a professional, we highly recommend that you exercise caution, care, and patience when installing this product as it involves drilling holes into your cart's struts.

1

Measure bracket for desired location. Use self-tapping screws to anchor the bracket as shown. Repeat this process on the other side.

Align console to brackets. Check the location of the mounting holes to make sure console is properly aligned.

2

Using supplied hardware, place screw through console as shown.

Once aligned, tighten hardware. Repeat process on the other side.
